Mini-Beasts with Mary Porter

Sutterby Shooting Lodge, Thursday 9th June 2016, 1900hrs

From the Artisan Bakery of Firsby, the latest creation was correctly identified by Mary Porter using the key in The Woodland name trail leaflet as a “Millipede”.

Well done Phil, another fine creation. As is usual the cake was quickly devoured by an eager and hungry audience along with a cup of tea or coffee, just the job after a cold evening looking for mini-beasts in the churchyard.
