

SPIRIT OF SUTTERBY

Partney Fair

Saturday 13 August 2016 1000Hrs to 1600Hrs

Spirit of Sutterby were asked to participate in Partney Village Fair. Traditionally a sheep fair dating back to the 7th Century that stopped in 2001 and started again as a summer fair in 2006. Using a marquee lent to us by David Stonehouse, we tried to display some of the skills that we have acquired along the way, and some of the skills that the original villagers of Sutterby may have known very well and used almost everyday.
